Community Transition Services and Nursing Facility Transition to a Home are Community Support Services offered to eligible Medi-Cal members. Community Transition Services and Nursing Facility Transition to a Home refer to one-time costs incurred when individuals move from a licensed facility to a private residence, where they take on full responsibility for their living expenses.

These allowable expenses encompass the essential items needed for establishing a basic household and do not cover costs such as rent, room, and board. This service is limited to a lifetime maximum of $7,500.

If this is a self-referral, please call SFHP's Care Management Intake line during business hours of 8:30am–5:00pm, Monday–Friday: **1(415) 615-4501**, and an SFHP staff member can assist you.

If the referral is being completed by a provider or other agency, please complete this form, and securely email to San Francisco Health Plan's Care Management department at **caremanagement_referrals@sfhp.org.**
