

## Quality Improvement and Health Equity Committee (QIHEC)

### Q4 2025 Activity Summary

Reporting Period: Q4 2025

QIHEC Meeting Date & Time: December 11, 2025 | 8:00 AM – 10:00 AM

### Topics Discussed

#### Quality Improvement

- Review of Quality Trilogy documents, including the 2025 QIHETP Evaluation, 2026 QIHETP Description, and 2026 QIHETP Annual Workplan, highlighting program outcomes through October 2025 and readiness for D-SNP expansion.
- Updates on performance improvements driven by expanded ADT data sharing, supplemental data submissions, and relaunch of Quality Collaboratives (behavioral health, maternal/child health, and care experience).
- Discussion of 2026 quality priorities, including digital quality transition readiness, CPT II provider education, and integration of quality improvement and population health teams.

#### Quality, Health Equity, and Community Partnerships

- Review of health equity initiatives and accomplishments, including NCQA Health Equity Accreditation (97.9%), disparity dashboards, cultural awareness training, and targeted improvement efforts to reduce disparities in well-child visits.
- Discussion of how measure performance and Minimum Performance Level (MPL) attainment impact state quality ratings and health equity outcomes.
- Updates on delegated Behavioral Health Plan oversight and preparation for expanded accountability measures tied to Proposition 1 and the BHSA transition beginning with 2026 measurement.
- Discussion of operational and technology initiatives, including expansion of PointClickCare portal access, future HIE integration planning, and governance considerations for AI and language service use cases.
