

# Win a \$50 Gift Card for Your First Health Exam

**Call your primary care provider (PCP)\* to complete your first health exam within 120 days (4 months) of joining SFHP.**

You can find your PCP's phone number on your SFHP ID card.

After your first health exam, you will be entered into a raffle for a \$50 gift card.\*\*

**Don't wait until you get sick!** Your PCP needs to know you before you get sick. If you don't meet them now, it will be hard to see them when you really need help.

## Meet your PCP now so:

- They'll have all your info ready if you need help fast.
- It's easier to get an appointment when they know you.
- They can learn about your health.
- They can connect you to care you need, like food, housing, transportation, and more.
- You can ask any questions about your physical or mental health.

Getting your first health exam now can help you stay healthy and get care faster in the future.

**Call your PCP and make an appointment today!** You can find your PCP's phone number on your SFHP ID card.
