Your Health Information Is Just a Click Away

Access your health information anytime from anywhere you have internet access with SFHP HealthLink, our safe and secure Medi-Cal Member Portal

View **Your Medicines**

Learn about your medicines and the amount you should be taking. Find out how they interact with other medications.

See **Your Personal Health Record**

See your past health visits, medicines, and more. You can bring your Personal Health Record with you when you visit your doctor.

Request **ID Card**

You can see your ID Card, ask for a new one, print a temporary card, or save a picture of your card on your phone.

Change **Your PCP**

To change PCP, use the My Health Plan dropdown and select PCP Change Request. PCP changes will be effective on the first day of the following month.

Health Education Library

Our portal has a library on many wellness topics. There are interactive tools for health and fitness, medications, pregnancy, a symptom checker, and learning centers to help you make better health decisions.

Search for Providers

Our improved provider search tool allows you to find providers in your network or any other SFHP network. Look up providers by name or the type of provider including clinics, specialists, and more.

You can find the Provider Search Tool on the Member Portal homepage or in the drop down menu under My Health Plan.

You have the option to search by Provider Name or you can expand your search with broad search criteria like location, network, and general practice type. You can refine your search by specialty, network, languages spoken, gender, location, or by providers who are accepting new patients.

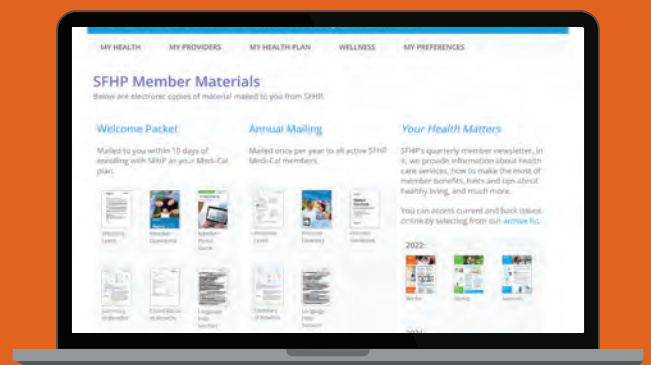

Customer Service

You can email Customer Service through the portal to get answers to your healthcare questions.

Download Member Materials

Now, you can view and download the most current member materials and newsletters through our Member Portal or on sfhp.org.
