At a minimum, SFHP covers the core benefits and services specified in our agreement with the California Department of Health Care Services. SFHP Medi-Cal members may not be charged or balance-billed for covered services.

This list is not intended to be an all-inclusive list of covered and non-covered benefits. All services are subject to benefit coverage, limitations, and exclusions as described in the plan coverage guidelines. Some services require prior authorizations according to general or specific medical necessity criteria. Members are not responsible for any cost-sharing for covered services.
