Agency//Organization Source:	DCA, DHCS
Agency/Organization URL	<a href="https://www.dca.ca.gov/">https://www.dca.ca.gov/</a> <a href="https://www.dhcs.ca.gov/provgovpart/Pages/PharmacyProviderApplicationInformation.aspx">https://www.dhcs.ca.gov/provgovpart/Pages/PharmacyProviderApplicationInformation.aspx</a>

**Background:**

Clinics with a pharmacy on site must be licensed by the CA State Board of Pharmacy

**Purpose:**

A pharmacy license is required to allow for the monitoring of drug distribution and current policies/procedures for drug storage and dispensing. (see Proper Maintenance and Storage of Drugs, Preparing and Confirming Medication/Vaccine Prior to Administration, Proper Labeling of Drugs)
