

# Health Homes Program Service Directory

This Health Homes Program Service Directory is meant to support care coordinators and case managers in assisting members in connecting to community resources. The Service Directory is divided into sections based on specific service area and phone numbers, addresses, neighborhood, website, and referral information is provided. While SFHP strives to provide up to date information, we cannot guarantee the accuracy of all information provided. Please visit the the service's website or call to verify services provided. If you have any questions about the information provided in this Service Directory, please email us at healthhomes@sfhp.org.
