

Providers Offering Gender-Affirming Services Voluntary Affirmation Form

Effective March 1, 2025, the Department of Health Care Services (DHCS) requires managed care plans (MCPs) to include information accessible from the MCP's Provider Directories and call center identifying which in-Network Providers have voluntarily affirmed they offer and have provided gender-affirming services. Details of gender-affirming services can be found in All Plan Letter (APL) 20-018, or any superseding APL. MCPs are required to maintain up-to-date information on which in-Network Providers have voluntarily affirmed they offer and provide gender-affirming services.

To affirm the offering of gender-affirming services, please complete this form and return it to providerdirectories@sfhp.org or fax to **1(415) 615-6450**.

I, _____, offer and have provided gender-affirming services.
I would like this fact to be indicated in SFHP's provider directory.
