

## PLEASE READ THIS LETTER

This letter has information about upcoming changes to your Healthy Kids HMO insurance (CCHIP).

July 1, 2019

Dear Healthy Kids HMO Guardian:

On **October 1, 2019**, your child's health insurance will move from Healthy Kids HMO program (CCHIP) to the Medi-Cal program.

**Your child will continue to have health, vision, and dental insurance. Your child's health plan will not change.**

- ✓ San Francisco Health Plan will still provide your child's health and vision care after the move to the Medi-Cal program. Your child can continue to see their primary care doctor.
- ✓ Your child will get dental insurance from the Medi-Cal Dental program after **October 1, 2019**.
- ✓ You will get more information about your child's dental benefits before the move to Medi-Cal Dental program.

## What should I do now?

Tell San Francisco Health Plan if you move or change your phone number. This will make sure you continue to get important information.

Please respond to letters about your Healthy Kids HMO (CCHIP) renewal.

Watch for more letters from the Department of Health Care Services (DHCS).
