Important!

This letter explains changes to your Healthy Kids dental coverage.

Starting **October 1, 2019**, children in the Healthy Kids HMO program with San Francisco Health Plan, Santa Clara Family Health Plan, or Health Plan of San Mateo, depending on your county, will move to Fee-For-Service Medi-Cal. The Medi-Cal Dental program will provide their dental care.

- **The services your child is eligible for will not change.** There are changes to how often your child can get certain services.
- If your child's dentist accepts Medi-Cal Dental, you can keep the same dentist.
- If your child's dentist does **not** accept Medi-Cal Dental, you will need to find a new dentist who does.

Questions?

Call the Medi-Cal Dental Telephone Service Center at **1(800) 322-6384**, Monday through Friday, 8am to 5pm.

Medi-Cal Dental Telephone Service Center can help you:

- Find out if your child can keep dental appointments with their current dentist.
- Find a new dentist near you.
- Get answers to your questions.

To learn more about this move to the Medi-Cal Dental program, read the Frequently Asked Questions (FAQ) on the next page.

Thank you,
