This letter has important news about changes to your child’s medical, mental health, dental, and vision care coverage.

Your child has coverage through San Francisco Health Plan’s Healthy Kids HMO, the County Children’s Health Initiative Program (CCHIP).

Starting October 1, 2019, children in Healthy Kids HMO-CCHIP will get their medical, mental health, and vision care through San Francisco Health Plan’s Medi-Cal program.

Your child will get dental care through Medi-Cal Dental. Starting October 1, 2019, your child can see any dentist who accepts Medi-Cal Dental.

The services your child is eligible for will **not** change.

Your child will **not** lose any health, dental, mental health, or vision benefits. Your child may need a new dentist. Ask your current dentist if they accept Medi-Cal Dental.

Next steps:

1. Continue to pay your premium. If you do not pay premiums in full for two months in a row, your child will be disenrolled from Healthy Kids.
2. Watch for more letters from the Department of Health Care Services (DHCS). They will tell you when your child will move to the Medi-Cal health plan. They will also tell you about your child’s dental coverage. You will get at least one more letter from us about your child’s health coverage moving to the Medi-Cal health plan in your county.
3. Tell San Francisco Health Plan if you move or change your phone number. You can call San Francisco Health Plan at **1(800) 288-5555**, Monday through Friday, from 8:30am to 5:00pm. TTY **1(888) 558-5858**.
